About the Hackathon

- Jump-start your initiative through a Hackathon. Get away from your day-to-day activities and work together with a Yonder team for the concept, prototype, business case, or simply refine your idea and define your first MVP.
- Benefit from diverse competences and brainstorm with others on the best ways to serve your customer's needs.
- Everything in a creative atmosphere, mixing work and fun.

The Hackathon program contains next to the actual Hackathon on 6 – 8 October, pre- and post-event sessions to ensure that the Hackathon delivers the best results possible

Pre-event sessions

Day	Via	Activities
Prior to week 36	Email	Send the initiatives plan to Yonder
Week 36, Sept. 4 - 8	VC	Virtual meeting with Delivery Manager and Yonder Architect discussing the submitted initiative plan in detail
Week 39, Sept. 25 - 29	VC	Final virtual prep meeting with customer team, DM and if needed Yonder Architect

More to know…

- The Hackathon will take place in the modern offices of Yonder, in Cluj-Napoca, Romania ("The Office" building).
- All the needed infrastructure (workstations for team members, Internet access, development environment and other tools, etc.) is available.
- A group of Yonder mentors (Architects, Delivery Managers) will help all the teams in achieving their goals with concrete advice or even being involved in the execution.
- During the Hackathon, you will have the opportunity to discuss the Business Case approach and get ideas from your peers. Ways to approach SIG, sales tips and sales materials can be the output of this Hackathon. Use this time to get to know the people and exchange knowledge – when a group of smart and creative people gets together, many pleasant things can happen☺.
- We will offer assistance regarding local transport, and our colleagues will guide you during your stay in Cluj.
- For any questions / suggestions / remarks, please send an e-mail to Monique.van.Galen@tss-yonder.com or Mircea.Motogna@tss-yonder.com. We encourage you to contact your Delivery Manager any time regarding your Initiative.

Thank you for registering your team and we are looking forward to seeing you in Cluj!
