## More to know...

- *The Hackathon will take place in the modern offices of Yonder, in Cluj-Napoca, Romania ("The Office" building).*
  - *All the needed infrastructure (workstations for team members, Internet access, development environment and other tools, etc.) is available.*
  - *A group of Yonder mentors (Architects, Delivery Managers) will help all the teams in achieving their goals with concrete advice or even being involved in the execution.*
  - *During the Hackathon, you will have the opportunity to discuss the Business Case approach and get ideas from your peers. Ways to approach SIG, sales tips and sales materials can be the output of this Hackathon. Use this time to get to know the people and exchange knowledge – when a group of smart and creative people gets together, many pleasant things can happen ☺.*
  - *The contribution for participating with a team are 2000 euros. Hotel and travel are not included.*
  - *We will offer assistance regarding local transport, and our colleagues will guide you during your stay in Cluj.*
  - *For any questions / suggestions / remarks, please send an e-mail to [Monique.van.Galen@tss-yonder.com](mailto:Monique.van.Galen@tss-yonder.com) or [Mircea.Motogna@tss-yonder.com](mailto:Mircea.Motogna@tss-yonder.com). We encourage you to contact your Delivery Manager any time regarding your Initiative.*
